Dear Sir:

Enclosed for filing in the above-identified application is a PTO/SB/08 Equivalent listing ten (10) references to be considered by the Examiner. Also enclosed are nine (9) foreign patent references as listed on the Information Disclosure Statement. As indicated in the accompanying Form PCT/ISA/210, all of the listed references were cited in the International Search Report and the specification. Cited No. 1 of the section Foreign Patent Documents, 56-120455 is Japanese Utility Model registration Laid-open publication of which no English translation is available, but is relevant as cited in the International Search Report. Cited No. 3 in the same section, 62-11222, is the Examined Publication of which no English translation is available, but it is an equivalent to Cited No. 2, 58-134240.

Although these references already of record during the International Phase of the application, they are submitted in the present Information Disclosure Statement for the convenience of the Examiner and to endure that the references are listed on the cover of any patent issued on the present application.

This Information Disclosure Statement is being filed within three months of the filing date, with an RCE or before receipt of a first office action after an RCE and no fee is required.
